Q2 2017 Deliveries

In the first half of 2017, we delivered 22,465 items to the hospitals and agencies we support. This is down slightly from the 24,028 delivered in the same timeframe last year, but still impressive and we're still on target for a similar yearly total.

Thursday, August 10th is our annual potluck luncheon and we hope to see everyone there! We understand not everyone can make our Thursday work sessions, but if you can, join us for good food and social time.

This year's TPHCCA conference is at the Wyndham Hotel, North Dallas, September 15 and 16. We need gift baskets and craft items for their silent auction and volunteers to work the event. Please bring auction items to Ellie or Lassie.

Christmas Theme Thursday

We're bringing Christmas fabric Thursday, August 3rd, so that we can mix and match. If you have either scraps or yardage and want to see what goes with it, bring it along!

Marge is making great progress on the bags as well! (thanks, Marge)
