KITCHEN PROGRAM

LTN's Kitchen Program opened its doors in 2010 after thoughtful planning and foresight by a small group of women wanting to make a difference in the community. The Lewisville Salvation Army had an available kitchen and a partnership developed. Today, volunteers manage the preparation, cooking, and serving of hot and nutritious meals 5 days a week, M-F, from 12-1. Families and individuals are welcome to eat in the kitchen without pre-qualification. To-Go meals are prepared for those that are homeless or unable to prepare an evening meal. These individuals are then able to utilize their limited resources for other essentials such as rent, utilities and food. The Community Kitchen averages:

100 meals daily; 30,000 meals a year 30 to-go sacks daily

The kitchen relies upon local grocers for canned goods and day old bakery items, in-kind and monetary donations, and local gardens for fresh fruits and vegetables for appreciative clients.

CLOTHING ASSISTANCE PROGRAM (CAP)

Families, individuals and homeless receive gently used clothing, shoes and under-garments. LTN volunteers are Personal Shoppers to qualified clients by appointment and each family member will receive:

- (4) outfits every three months

- 30 families per week are scheduled for this free of charge program

- Over 500 undergarments per week are given away

Underwear must be new and in packages while gently used bras and socks will be accepted.

CAP relies upon the community for gently used clothing and consignment stores to donate their clothing. Volunteers come in to separate, size, fold and store the donated clothing before being passed off to Personal Shoppers. Coats are given out in October, donating up to 1000 coats in a single day.

LOVE THY BABY (LTB)

Love Thy Baby focuses on meeting the needs of infants who are born into health or economic crisis. Volunteers make and collect warm blankets and clothing for newborn babies born premature, sick or into poverty, and the items are then distributed to hospitals and agencies (Parkland Hospital, John Peter Smith Hospital, Nexus, Family Place, Sharing Life and Hope for Refugees).

LTB meets weekly on Thursdays from 10am-2:30pm at donated space provided by Webb Chapel Church of Christ (13245 Webb Chapel Rd, Farmers Branch). They also meet on the 1st Saturday of the month to collect and distribute monthly donations and allow volunteers who are employed to participate. LTB creates beautiful handmade quilts, receiving blankets, afghans, hats, booties, t-shirts, diaper bags, bibs, burp cloths, toys and more, donating over 36,000 items per year. Volunteers also teach others to sew, quilt, knit, crochet and loom knit.
